

Active
Book

ActiveBook Help Overview

This ActiveBook is an interactive version of your textbook. These instructions tell you more about how to use it.

Launching ActiveBook

1. Check that your hardware and software meet the minimum requirements (see page 10) to support this application.
2. If your PC meets the requirements, download or install any supporting applications that you may need (see page 10).
3. Insert the CD-ROM in your disk drive.
4. The ActiveBook program should start automatically.
5. If ActiveBook does not run automatically, use Windows Explorer to navigate to your CD-ROM drive, open the folder called 'at' and double-click on the file 'wrapper.exe'.

View single/double page spreads

Page turn on/off

Page navigation controls

Opening a book

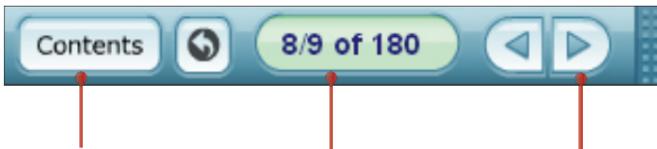

ActiveBook includes one student book.

Click the tab showing the book title to launch the book.

Moving around the student book

You can use the following controls (located in the bottom menu bar) to move quickly and easily through the pages of the ActiveBook student book:

Contents list

Click the Contents button to see a list of chapters or spreads for the current book.

Jump to page number...

Type the page number you want to go to into the box and hit enter.

Page browse

Click on the forwards/backwards arrows to browse one page at a time.

Animated page turning

By default, the ActiveBook student book will use an animation of the page turning to illustrate moving from page to page.

This effect can be turned on or off at any time by clicking on the 'Page turn' button.

Click once to turn off.

Click once more to turn on again.

Student book views

Double-page view

Every time you start a fresh ActiveBook session, student book pages are displayed by default in 'double-page view' mode. This means that two pages are side by side, as in the printed book.

Changing to single-page view

You can switch the viewing mode to view each single page, one at a time. This will increase the magnification of the page, making it easier to read.

To switch to 'single-page view' mode, click the 'single-page' button.

You can also use the zoom in and zoom out controls to explore the page.

To switch back to 'double-page view' mode, click the 'double-page view' button.

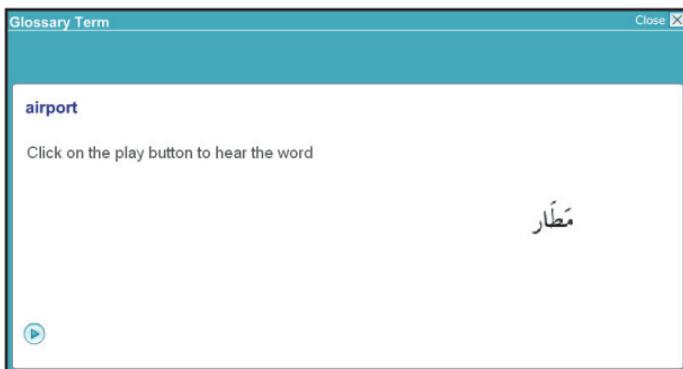

Glossary

The glossary can be used in two ways; by clicking on individual terms, or searching the glossary as a whole.

Terms

Place the cursor on a term in the Wordlist to highlight a word.

Click on the word to see the Arabic translation and hear its audio recording.

Click on the button at the top right-hand corner to return to the student book.

Complete glossary

You can also access the glossary terms and their Arabic translations by clicking on the 'Glossary' button, located in the top menu in the ActiveBook interface.

A graphic of a yellow button with a blue border. Inside the button, the word 'Glossary' is written in a bold, black, sans-serif font.

Click on the desired letter of the alphabet, then scroll through the list of terms. Click on any term to view it, and play its Arabic translation by clicking on the play button.

Saturday - Click on the play button to hear the word

أَسْبُدُتُ

My Resources

The screenshot displays a software application window titled "English Please Level 1". At the top, there are three tabs: "Student Book", "Find Resources", and "Glossary", with "Glossary" being the active tab. Below the tabs is a large grid of letters from A to Z, where each letter has a small blue outline. The letter "S" is highlighted with a yellow outline. To the left of the grid, under the heading "Key Terms", is a list of words: Saturday, Saudi, Saudi Arabia, Sudan, Sudanese, Sunday, Syria, Syrup, salad, sandwich, say, school, seat, second, secretary, seven, seventeen, seventh, seventy, shampoo, shop, short. The word "Saturday" is underlined. To the right of the grid, under the heading "Definition", is the text "Saturday - Click on the play button to hear the word". Below this text is the Arabic translation "أَسْبُدُتُ" followed by a small circular play button icon. At the bottom of the window, there is a teal bar with the text "My Resources".

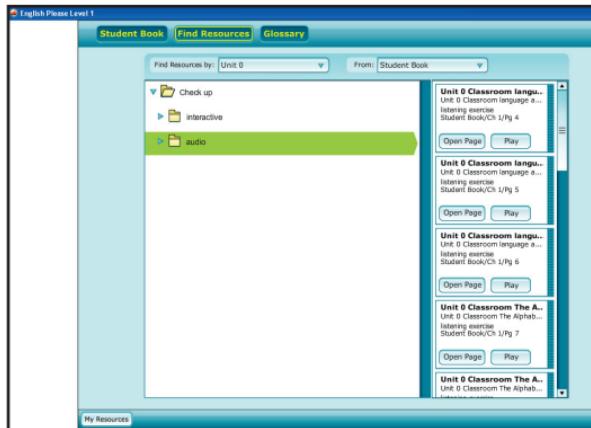

Find Resources

Can't find what you're looking for? Use the 'Find Resources' button to quickly browse for resources.

To start, click on the 'Find Resources' button, located in the top menu bar in the ActiveBook interface.

Find Resources

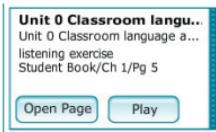

The Find Resources panel will then appear.

Select the type of resource you are looking for, then click on the folder icons to browse according to your preferred criteria.

ActiveBook resources that match your selection will appear in the panel on the right-hand side of the screen.

You can choose to open a resource directly by clicking 'Play', or jump straight to the student book page it is located on, by clicking 'Open Page'.

Minimum requirements

Hardware

The following is the minimum required to run your ActiveBook on a PC.

IBM® compatible PC

Pentium® 4 1GHz processor or equivalent (2GHz Vista)

512 MB RAM (1GB Vista)

Sound card and speakers

CD-ROM or DVD drive

1024 x 768 screen resolution.

Software

The following software is the minimum required for the PC you use to run the ActiveBook:

Windows® XP (Professional or Home) Service Pack 2 or higher

Adobe Reader (8 or higher – available for free from
www.adobe.com)

Flash Player Plugin (9 or higher – available for free from
www.adobe.com)

Microsoft Office® (2003 or higher) OR the free viewer applications
(available for download from <http://www.microsoft.com>)

Word viewer (2003 Version 1)

Excel® viewer (2003 Version 1)

PowerPoint® viewer (2003 Version 6.0.2600.0)

Internet Explorer 7 (or later version) or Firefox 3.

Word, Excel and PowerPoint viewers

If you do not already have Microsoft Word, Excel or PowerPoint on your machine you can use the free Word, Excel and PowerPoint viewer applications, or the trial version of MS Office, all of which are downloadable from the Microsoft website:

<http://www.microsoft.com>

Technical support

If students are not sure what to do or if they encounter problems, they should first consult the Help pages. If these do not provide the answer, they should ask their teacher.

Teachers who encounter problems should either:

- refer to the Readme file on the CD
- visit the website [http://www.pearsonschoolsandfecolleges.co.uk/
Help/SoftwareSupportCentre.aspx](http://www.pearsonschoolsandfecolleges.co.uk/Help/SoftwareSupportCentre.aspx)
- send an email to digital.support@pearson.com including your contact details
- call us on 0845 313 8888, Monday to Friday during office hours.
